

# 2021 - 2022 Impact Report

## Creating Affordable Communities of Choice

While the coronavirus pandemic raged across the globe, Star-C was busy assisting with eviction relief efforts for the metro Atlanta area and continuing to serve families with our onsite programs. During this time of immense transition, Star-C maintained its mission of providing wraparound services to help children and families in underserved apartment communities prosper, thanks to generous supporters like YOU.

### Look at what you helped make possible!
